Description of Collective Liaison Role

What is the CSU?

The Capilano Students' Union (CSU) is the student society at Capilano University that represents over 6,500 students at the North Vancouver, Sechelt, and Squamish campuses, and abroad.

The CSU provides services, including the U-Pass BC and CSU health and dental plan; supplies resources to clubs and organizations on campus; and hosts a variety of events throughout each year.

In addition to delivering services to students, the CSU is an advocate of students' interests, and ensures the needs of students are presented for consideration by the University administration and the federal, provincial, and municipal governments

Responsibilities:

- Work towards implementing the strategic plan
- Attend and participate fully at bi-weekly board meetings
- Sit on a minimum of one standing committee and fully participate in it
- Chair and coordinate the meetings and activities of your respective collective
- Be responsible for keeping the board of directors informed of issues concerning members of the Society who self-identify as being a member of your respective collective
- Provide a written report to the board of directors at least once per month
- Coordinate campaigns and events, which promote the equality and the elimination of oppression of self-identified members of your perspective collective
- Perform such other duties as may be assigned by the board of directors
- Come prepared to meetings by reading all agenda items and attached document ahead of time
- About 7-10 hours per week

Which skills will make you successful?

- Self motivated
- Able to work well individually and in groups
- Takes initiative
- Is able to think critically
- Ability to be a team player
- Have a positive and upbeat attitude

- Able to provide and accept constructive criticism
- Passionate about the collective and what it stands for
- Experience in marketing is an asset

What you will gain from your position at the CSU

- Great connections and many networking opportunities
- Friendships that will last a lifetime
- Experience as an employer
- Experience in working with unionized employees
- The ability to make decisions affecting thousands of students

Honorarium

- \$500.00 stipend per month

Core Values

- We conduct ourselves with the highest standards of **integrity**
- We strive to be **accessible** in everything that we do
- We provide opportunities for authentic **leadership**
- We work towards personal and social **transformation**
- We are building a vibrant and engaging **community**
