

STRATEGIC PLAN

2014 - 2019

STUDENT LIFE

By 2019, the CSU will...

- have established on-campus food solutions responsive to members' needs;
- have established a strategy on student residences and housing;
- have raised the profile of its advocacy, services, and events on campus and beyond;
- have developed a sense of school spirit and community;
- have established scholarships and bursaries; and
- provide a variety of involvement and development opportunities for students and has active and engaged student groups on campus.

STUDENT SPACES

By 2019, the CSU will...

- have autonomous student spaces;
- have developed a consultative plan for student spaces; and
- provide vibrant, effective, and well-operated resource centres.

INTERNAL DEVELOPMENT

By 2019, the CSU will...

- have a high-functioning governance system that is continuously reassessed to ensure alignment with the organization's values, vision, and goals;
- be an employer of choice;
- operate in an environmentally sustainable manner; and
- have developed a strong sense of identity.

EFFECTIVE RELATIONSHIPS

By 2019, the CSU will...

- be an integral part of advocating for social change in collaboration with other student societies;
- be viewed as the voice of students of the North Shore;
- have a significant, collaborative, and positive role with Capilano University and governments in post-secondary education decision-making;
- be widely recognized by students for its work independently of the university; and
- have developed a mutually-beneficial relationship with Capilano University.

Capilano Students' Union

OUR VISION
